

## How to Hire

### We need:

- To be confident that you can operate, store and use our equipment safely.
- To know that you will be fully responsible, return the kit in good clean condition and on time. Late returns will be subject to additional charges.
- That you have adequate insurance. When using our insurance, please be aware of terms including excess charge.
- Please provide two forms of ID.
- Hire charge must be paid in advance of collection.
- Credit/Debit card details will be held as a deposit.
- Let us know if you are shooting outside the UK.
- Please credit Four Corners.

### General guidelines:

All hire charges are subject to VAT.

When confirming a booking you agree to comply by our terms and conditions of hire –link here to T&Cs.

We recommend your operator / DOP, checks through equipment in advance or on collection of equipment.

On-site camera tests can be arranged free of charge.

Equipment must be transported in the flight cases provided.

### Let us know about your film!
